What You Need To Know

How to use this brochure

Navigate the alphabetical list (A – Z) to find:

- Potential career/study field;
- Qualifications related to that particular career/study field;
- Duration of study;
- Applicant Score (AS) required for applicants with Mathematics, **or** Mathematical Literacy, **or** Technical Mathematics;
- Subject & minimum percentage requirements per qualification.

All qualifications are colour-coded to indicate the faculty in which they are offered.

About us

Nelson Mandela University is the only university in the world that carries the name of Nelson Rolihlahla Mandela. The University embraces Nelson Mandela's challenge to be *"caring, responsible and innovative"*, and recognises the importance of continuously growing and adapting in the pursuit of knowledge and lifelong learning.

We offer both general and professionally oriented university qualifications, as well as technologically and career-oriented programmes. The success of our career-focused programmes lies in the hands-on involvement of industry and business. Undergraduate programmes include higher certificates, diplomas and first degrees, i.e., bachelor's degrees. All diplomas and some degree programmes are career-focused, while others are more general and allow students to tailor their interests, aptitudes and career plans.

National Senior Certificate (NSC)

- The table below explains what the minimum statutory requirements for each qualification level are (Higher Certificate, Diploma or Degree).
- The university has also set its own additional minimum entry requirements.
- **Please note** that the achievement of the minimum statutory requirements does not necessarily guarantee admission to any programme or field of study.

Qualification	Minimum entry requirement
Higher Certificate	Pass the NSC, with a minimum of 30% in the language of learning and teaching of the higher education institution, together with any other university requirements.
Diploma	Pass the NSC with a minimum of 30% in the language of learning and teaching of the higher education institution, coupled with an achievement rating of 3 (40–49%) or better in four recognised NSC 20-credit subjects, together with any other university requirements.
Bachelor's Degree	Pass the NSC with a minimum of 30% in the language of learning and teaching of the higher education institution, coupled with an achievement rating of 4 (50–59%) or better in four NSC 20-credit subjects together with any other university requirements.

Applying to Nelson Mandela University

- Your application for early admission should be submitted before the **August** closing date. Late applications will however only be considered after this date, based on academic merit, until the **September** closing date. Places for some qualifications are limited and it is therefore in your best interest to submit your application early.
- MBChB, BPharm and Bachelor or Radiography (Diagnostic) qualifications close earlier than the dates listed above. Applicants need to consult the student access & enrolment office, website, or faculty to determine annual closing dates. No late applications will be considered after the published closing date.
- Prospective students must meet the minimum statutory entry requirements based on the **National Senior Certificate (NSC)** or equivalent school-leaving certificate for admission to a higher certificate, diploma or degree qualification, in order to be considered.
- Submission of a completed application form does not mean that you have been accepted as a student, or that you may register. All prospective students are selected in accordance with the admissions policy of the university, and applicants will be notified of the outcome by the Student Access & Enrolment Office
- Conditional acceptance is based on your Applicant Score (AS) obtained in your **Grade 11 final, or Grade 12 June/September** examinations. However, the final decision is based on your final Grade 12 exam results.
- In addition to the general university admission requirements, each programme also has its own specific requirements.
- If a programme is full, you may be denied admission even though you meet the admission requirements.
- Applicants with international or foreign qualifications must satisfy the requirements laid down by the Matriculation Board to qualify for a certificate of exemption for a particular international or foreign school-leaving qualification (refer to the table overleaf).
- In the case of applications by candidates who have studied at other higher education institutions accredited by the South African Qualifications Authority (SAQA), the results obtained at such institutions will be considered, together with their academic record and certificate of conduct.

NELSON MANDELA UNIVERSITY

UNDERGRADUATE PROGRAMMES 2027 GENERAL INFORMATION

International/Foreign/NCV Level 4 equivalency conversion table

- South African and International applicants with International, NCV level 4 or Foreign School-Leaving certificates, should use the table below to calculate an equivalent Applicant Score (AS) for admission, based on percentages obtained in such certificates.
- Applicants with international or foreign qualifications must also satisfy the requirements laid down by the Matriculation Board to qualify for a certificate of exemption for a particular international or foreign school-leaving qualification. Applications for such certificates must be made to the Matriculation board directly: https://mb.usaf.ac.za/
- Applicants will have to comply with the minimum Applicant Score (AS) set for the UG qualification they wish to apply for, as well as meet any other additional subject requirements directly.
- To calculate your Applicant Score (AS) use the symbols/achievement rating/percentages obtained in your school-leaving examinations in order to convert them to an equivalent achievement standard on the National Senior Certificate (NSC).

Subject % to use when calculating the Applicant Score*	Senior Cert HG	Senior Cert SG	HIGCSE NSSC HL	IGCSE NSSC OL	O-LEVEL	AS	A-LEVEL	IB HL	IB SL	KCSE	NC(V)4** Fundamental	NC(V)4 Vocational
115							A*, A	7				
105							B	6				
95	A		1			A	C	5	7	A+, A	Use your actual percentage(s) listed on your statement of result / final certificate	
85	B		2			B	D	4	6	A-		
75	C	A	3	A	A	C	E	3	5	B+		5 (90-100%)
65	D	B		B	B	D		2	4	B, B-		5 (80-89%)
55	E	C	4	C	C	E		1	3	C+		4 (70-79%)
45	F	D		D	D				2	D		3 (50-69%)
35	FF	E		E	E				1	E		2 (40-49%)
25	G, GG, H	F, FF, G, GG, H		F, G						F, G		1 (0-39%)

***Your AS is calculated using six subjects, which must include the language(s) and subjects required for admission but excluding Life Orientation (LO)**

Key:
NSC - National Senior Certificate
O-Level - Ordinary Level
Senior Cert HG - Senior Certificate Higher Grade
AS - Advanced Subsidiary
Senior Cert SG - Senior Certificate Standard Grade
A-Level - Advanced Level
HIGCSE - Higher International Graduate Certificate of Secondary Education
IB HL - International Baccalaureate Schools (Higher Levels)
IGCSE - International Graduate Certificate of Secondary Education
IB SL - International Baccalaureate Schools (Standard Levels)
NSSC HL - Namibian Senior Secondary Certificate Higher Levels
KCSE - Kenyan Certificate of Secondary Education
NSSC OL - Namibian Senior Secondary Certificate Ordinary Levels
NC(V) 4 - National Certificate Vocational Level 4

How do I apply?

- Applicants can apply online by logging on to **www.mandela.ac.za/Study-at-Mandela**
- Ensure that you meet the minimum **Applicant Score (AS)** and **subject requirements** before submitting your completed application form and supporting documentation.
- **No application fee** is required for South African citizens, but there is an application fee for International Students.
- Remember to include your cell number on your form, as we will be sending you your application status and other important information via this number (please do not include +27 or any spacing when you enter your cell number).
- Please note that certain qualifications have additional selection processes, for example a portfolio of evidence, interview or fitness/medical tests. Your application can only be finalised as soon as these additional selection processes have been completed.

Important documentation

You need to submit the following:

- A certified copy of your **identity document** (ID document compulsory for SA Citizens). You may also provide your ID number or serial number that appears on your birth certificate.
- A certified copy **of your latest school results** (Grade 11 final, or Grade 12 June/September results, or final school leaving certificate). **No Grade 12 March results.**
- **Declaration by your parent/legal guardian / surety form** (form downloaded from our website).
- A certified copy of your **parent/legal guardian/surety's identity document (ID).**
- Completed **disability assessments form** (if applicable).
- Proof of your current **residential/home or postal address.**

NB: Please note that your **student number/identity number** must clearly be indicated on all documentation submitted. Your application form cannot be processed if you do not include **all** supporting documentation with your application.

How to calculate your Applicant Score (AS)

- First look up the **Applicant Score (AS)** for the qualification you are applying for – also note any required subjects.
- Your Applicant Score (AS) will be different if you took Mathematics, Mathematical Literacy or Technical Mathematics at school.
- Your Applicant Score (AS) is calculated using **six** subjects. Please note that Life Orientation (LO) is excluded.
- Write down your Grade 12 subjects and the most recent percentage (%) obtained in each subject (**NO** Gr 12 March results).
- You **MUST** include the results for the following **three compulsory subjects: 1)** Home language; **2)** 1st Add. Language; and **3)** Maths; **or** Maths Lit; **or** Technical Maths.
- For applicants with **seven** Grade 12 NSC subjects, the AS is calculated by adding the percentages for the six 20-credit subjects (Note that the Life Orientation percentage is not included as it is a 10-credit subject). This gives a score out of 600.
- For those applicants taking **eight or more** subjects the AS is calculated as follows: add the percentages obtained for the three compulsory / fundamental subjects (the two languages and Mathematics, or Mathematical Literacy, or Technical Mathematics.), plus the percentage(s) for any subject(s) required by the programme, together with the percentage(s) for the next best / highest subject(s), to a maximum of six subjects.
- In addition, for those applicants from quintile 1 to 3 schools who attain 50% or higher for Life Orientation, 7 points are added to their score out of 600 to arrive at their final AS.
- Compare your AS & subject requirements to the minimum needed for the qualification you want to apply for.
- If your Applicant Score (AS) & subject requirements are below the minimum required, you will need to consider another qualification for which you do qualify.

** All South African **public** ordinary schools are categorised into five groups, called quintiles. Quintile 1 to 3 are non-fee-paying schools, while Quintile 4 & 5 are fee-paying schools*

Financial facts

Before registering as a student, you need to determine whether you will have sufficient funds to finance your studies.

Costs involved in higher education include:

- Registration, enrolment & tuition fees.
- Textbooks, study material & stationery.
- Sports equipment (if applicable).
- Transport.
- Meals.
- On-or-off campus-accommodation and general living expenses.

The University offers various bursaries to both new and current students, including our scholar and student merit awards. Funds are also administered from corporate donors and from the National Student Financial Aid Scheme (NSFAS) to assist students in financing their studies. More information on these options can be obtained from the **Financial Aid Office** on **T:** 041 504 1111 or alternatively log a ticket on crm.mandela.ac.za

Accommodation

On-campus:
The university provides comfortable on-campus accommodation options. These include the residences on the Summerstrand, Second Avenue and George campuses and the Student Village in Summerstrand, which consists of self-catering units. As accommodation is limited, early application is essential. **T:** (041) 504 1416 / **E:** resadmissions@mandela.ac.za

Off-campus:
Some students prefer living off campus. Off-campus accommodation options include renting flats and houses or boarding at nearby private residences. The Student Housing office offers a service to assist students in finding suitable off-campus accommodation.
T: (041) 504 4735 or **E:** offcampus.accomodation@mandela.ac.za

Students who are differently abled

The university strives to ensure that all campus facilities are accessible to students who are differently abled. Every reasonable attempt will be made to provide students with the assistance they require. Your disability status is confidential, however; if we are not aware of your disability, we will not be in a position to offer reasonable support. If the disability is not self-evident, the university may require the applicant to disclose sufficient information to confirm his/her disability, or to ensure that reasonable consideration may be granted. For more information on accessibility and how your particular disability may be accommodated, you are advised to contact the Universal Accessibility & Disability Services (UADS) unit, on 041-504 2313 or e-mail: disability@mandela.ac.za as early as possible. Early enquiries during the year preceding application are encouraged, so that requests may be considered prior to admission.

Madibaz Sport

Various sport codes ranging from athletics to water polo are on offer at various levels. The impressive sport facilities include an athletics stadium with an Olympic-standard tartan track, an Astroturf and grass hockey fields, an indoor-heated swimming pool, squash courts, a nine-hole golf course on George Campus, rugby, soccer, cricket fields and tennis courts. Well-equipped health and fitness centres offer professional gym facilities at student prices, and provide assistance with sport performance testing, sport-specific training and injury rehabilitation.

Sport Codes include:

- Athletics • Boxing • Basketball • Chess • Cricket • Futsal
- Football • Golf • Hockey • Karate • Netball • Rugby • Rowing
- Squash • Swimming • Tennis • Volleyball • Water polo.

Nelson Mandela University reserves the right to make changes to the programme details, rules, admission requirements, duration and delivery of courses as published. Prospective applicants are advised to consult the Student Access & Enrolment Office, the University website or relevant faculties prior to applying.

Career/study field	Qualification	Faculty	Delivery mode & Duration of study	Minimum Admission Requirements: Applicant Score (AS) with: Maths	Maths Lit	Tech Maths	Subject(s) and % Required
A							
Accounting / Accountancy (Also see: Chartered Accounting, Cost & Management Accounting, Internal Auditing) **(also offered on George Campus)*	BCom (Accounting)*	Business & Economic Sciences	Full-time 3 years Part-time 5 years	410	-	-	Mathematics – 60%
	BCom: General (Accounting)*	Business & Economic Sciences	Full-time 3 years Part-time 5 years	390	-	-	Mathematics – 50%
	or BCom: General (Accounting) – **Extended Curriculum***	Business & Economic Sciences	Full-time 4 years	370	-	-	Mathematics – 45%
	AdvDip: Accountancy (Professional Accounting) **or** AdvDip: Accountancy (Internal Auditing)	Business & Economic Sciences	Full-time 1 year Part-time 2 years	-	-	-	A relevant 360-credit Diploma in Accountancy, **or** an equivalent NQF Exit Level 6 qualification in a cognate field
	or Advanced Diploma: Business Studies (Financial Planning and Services)	Business & Economic Sciences	Full-time 1 year Part-time 2 years	-	-	-	A relevant 360-credit Diploma in the chosen field of study, or an NQF Exit Level 6 equivalent qualification. Candidates must have majored in at least one of the following fields (or its equivalent) in their previous qualification: Management majoring in Financial Management, Financial Accounting, Internal Auditing, and Management Accounting.
	Dip (Accountancy)	Business & Economic Sciences	Full-time 3 years Part-time 5 years	350	365	350	Mathematics – 45%, **or** Maths Literacy - 65%, **or** Technical Maths - 45%
	HCert (Accountancy)	Business & Economic Sciences	Full-time 1 year	290	305	290	Mathematics – 40%, **or** Maths Literacy – 60%, **or** Technical Maths - 35%
Accounting Science (Chartered Accounting plus one of the following majors: Business Management/ Economics, **or** Computer Science & Information Systems, **or** Law)	BCom: Accounting Science (Economics & Business Management) **or**	Business & Economic Sciences	Full-time 4 years	410	-	-	Mathematics – 65%
	BCom: Accounting Science (Law) **or**	Business & Economic Sciences	Full-time 4 years	410	-	-	English (Home Lang) – 65% **or** English (1st Add Lang) – 70% **and** Mathematics – 60%
	BCom: Accounting Science (Computer Science & Information Systems)	Business & Economic Sciences	Full-time 4 years	410	-	-	Mathematics – 65%
Advertising (Communication) ** (also offered on George Campus)*	AdvDip (Public Relations Management)	Business & Economic Sciences	Full-time 1 year (block release)	-	-	-	See **Public Relations Management**
	Dip (Public Relations Management)	Business & Economic Sciences	Full-time 3 years (including 1 year in-service training)	330	345	345	Mathematics – 30%, **or** Maths Literacy - 50%, **or** Technical Maths - 30%
	AdvDip: Business Studies (Marketing Management)	Business & Economic Sciences	Full-time 1 year Part-time 2 years	-	-	-	A relevant 360-credit Diploma in Marketing, or an equivalent qualification.
	Dip (Marketing)*	Business & Economic Sciences	Full-time 3 years	330	345	330	Mathematics – 40%, **or** Maths Literacy - 60%, **or** Technical Maths - 40%
	or Dip (Marketing) – **Extended Curriculum***	Business & Economic Sciences	Full-time 4 years	310	325	310	Mathematics – 35%, **or** Maths Literacy - 55%, **or** Technical Maths - 35%
	BA (Media, Communication & Culture)	Humanities	Full-time 3 years	350	365	365	Any one NSC (Home or 1st Add Lang) – 60%, Mathematics – 35%, **or** Maths Literacy - 55%, **or** Technical Maths - 55%
	BCom (Marketing & Business Management)	Business & Economic Sciences	Full-time 3 years	390	-	-	Mathematics - 50%
Advertising (Design)	Bachelor of Visual Art (BVA)	Arts & Communication	Full-time 3 years	350	365	365	See **Art and Design**
Agricultural Management **(also offered on George Campus)*	AdvDip (Agricultural Management)*	Science	Full-time 1 year **or** (block release 2 years)	-	-	-	Dip (Agricultural Management) or equivalent qualification. Students will only be able to register for Plant Production 4 (APY4802) if Plant Production 3 (APY3003) or an equivalent module is passed at a diploma level.
	Dip (Agricultural Management)*	Science	Full-time 3 years (including 1 year in-service training)	330	345	330	Mathematics – 40%, **or** Maths Literacy - 60%, **or** Technical Maths - 40%. Life Sciences – 50%, **or** Physical Science – 40%, **or** Agricultural Sciences – 55%, **or** Technical Science – 40%. Admission is subject to departmental selection.
Anthropology	Bachelor of Arts (BA)	Humanities	Full-time 3 years	350	365	365	Any one NSC (Home or 1st Add Lang) – 60%, Mathematics – 35%, **or** Maths Literacy - 55%, **or** Technical Maths - 35%
Applied Mathematics	BSc (Applied Mathematics, Computer Science, Mathematical Statistics and Physics)	Science	Full-time 3 years	410	-	-	Mathematics – 65%
Art and Design ***Please note:*** *This generic first-year programme provides the first year of study for the BVA in the following fields:* • *Fashion & Textiles* • *Fine Art (Ceramic Design)* • *Graphic Design* • *Photography*	Bachelor of Visual Art (BVA) *(Students who wish to major in one of these fields are required to complete the generic first-year BVA programme before they can proceed to specialise in their second and third-year).*	Arts & Communication	Full-time 3 years	350	365	365	Admission is subject to departmental section. Qualifying applicants will be required to prepare a prescribed portfolio, undertake an interview with the Department's staff, as well as a discussion of your portfolio, and complete a placement assessment.
Architectural Technology	AdvDip (Architectural Design)	Engineering, the Built Environment & Technology	Full-time 1 year	-	-	-	Dip (Architectural Technology) + module specific pass requirements
	AdvDip (Architectural Technology)	Engineering, the Built Environment & Technology	Full-time 1 year	-	-	-	Dip(Architectural Technology) + module specific pass requirements
	Dip (Architectural Technology)	Engineering, the Built Environment & Technology	Full-time 3 years	330	345	330	Mathematics - 45%, **or** Maths Literacy - 60%, **or** Technical Maths - 45%. Admission is subject to departmental selection
Architecture	BAS (Architecture)	Engineering, the Built Environment & Technology	Full-time 3 years	370	-	-	Mathematics - 55%. Admission is subject to departmental selection
B							
Biochemistry	BSc (Biochemistry, Chemistry, Microbiology & Physiology) **or**	Science	Full-time 3 years	410	-	-	Mathematics – 60%
	BSc (Biochemistry, Chemistry, Microbiology & Physiology) – **Extended Curriculum***	Science	Full-time 4 years	370	-	-	Mathematics - 50%
